RE: Consolidated Superfund grant # V-96688701 for the Wilcox Superfund Site Management Assistance, Fiscal year of 2014 for the 4th Quarter (July, August, and September).

Dear Ms. Gibson:

The following is a list of Department of Environmental Quality activities during the 4th Quarter of FY 2014:

Progress

- Continuation of outreach to property owners to inform them about site progress, answer questions and address concerns.
- Performed sampling of residential wells on/adjacent to the Site. Sampling will occur on a quarterly basis and is State funded.
- Submitted a copy of the residential well sampling results to EPA.

Problems or Delays

- None

Projected Activities for the Next Quarter

- Continue to communicate with property owners and keep them informed on site progress.
- Continue to perform quarterly residential well sampling.
- Meet with Tribal representatives to provide general site overview.

If you have any questions regarding this report, please call me at (405) 702-5136.

Sincerely,

Todd Downham
